ENROLMENT POLICY

RATIONALE

All children enrolling at Patterson Lakes Primary School require a smooth transition that enables them to become part of our school with a minimum of disruption and maximum support.

AIMS

To provide an efficient process of enrolment that satisfies the needs of both students and the school.

IMPLEMENTATION

- All children who live within the designated neighbourhood zone and are eligible to attend a Government school are welcome to attend Patterson Lakes Primary School.
- Students enrolling at Patterson Lakes, as part of a Prep intake, will be required to provide proof of age, (indicating that they have turned 5 years of age by the 30th of April of that year), an immunisation certificate and proof of address.
- A child who is less than the minimum age of entry for Victorian schools, but has transferred from an interstate school, is eligible for enrolment pending approval from Southern Metropolitan Region. Evidence of age and fulltime enrolment at the previous interstate school must be provided.
- Patterson Lakes Primary School, under the guidelines of the designated neighbourhood boundary (Appendix A), will accept students enrolling as part of a Prep intake in the following order:
 1. Students residing at the same address as an older sibling who is attending the school.
 2. Students residing in the designated neighbourhood zone.
- Once the school has reached its quota of Prep students, [24 students per classroom], a waiting list will be initiated. Parents will be encouraged to enrol their students at another local primary school. The school will contact parents on the waiting list when a vacancy becomes available based on the designated neighbourhood area guidelines. Extenuating enrolments will be at the discretion of the Principal.
- Once the school has reached its quota of students in Years 1 and 2, [24 students per classroom], and in Years 3 – 6 [no more than 30 students per classroom], parents will be encouraged to enrol their students at another local primary school. The school will contact parents on the waiting list when a vacancy becomes available based on the designated neighbourhood area guidelines.
- Parents seeking early age entry for their children must make a written application to the Regional Director.
- Information regarding the enrolment of overseas students can be obtained from the International Studies Unit (03) 9637 2202.
- Students with Disabilities and Impairments will be enrolled along with all other eligible children. Concerns relating to resourcing levels are in themselves insufficient grounds for delayed admission. Delayed admissions can only be authorised by the Regional Director.
- All enrolments will require the completion of the DEECD 'Confidential Student Information Enrolment Form', with details entered immediately on CASES21.
- Students from a neighbouring school wishing to enrol at Patterson Lakes Primary School, will be considered if both Principals agree the transfer will be in the best interest of the student.
- The Assistant Principal will contact Principals of previous schools of all students seeking transfers to discuss the circumstances of the transfer, to seek a transfer note or an immunisation certificate [if enrolling], and to discuss any academic or behavioural matters. The Principal has the authority to defer admission for one school day in order that enquiries of the previous school are carried out in the best interests of the student.
- Students will be allocated to classes according to a combination of class size and student needs.

EVALUATION

This policy will be reviewed as part of the school's annual review cycle and/or as per DEECD recommendations.
