VISITORS TO SCHOOLS POLICY

RATIONALE
We seek to provide an open and friendly learning environment, which values and actively encourages visitors to our school. At the same time we recognise our duty of care to ensure a safe environment for our students and staff and we recognise our responsibility to protect and preserve our resources against theft, vandalism and misuse.

AIMS
 To provide a safe and secure environment for our students, staff and resources.
 To establish protocols and procedures that effectively monitor and manage visitors, whilst not compromising the open and inviting nature of our school.

IMPLEMENTATION
 Whilst we actively encourage an inviting and open school, the safety of our students, staff and resources remain our highest priorities.
 Visitors are defined as all people other than staff members, students and parents/guardians involved in the task of delivering or collecting children at the start or end of the school day.
 All visitors will be required to report to the administration office prior to undertaking any activity within the school, where they will be required to sign a “Visitors” book and will be assigned a “Visitors” badge which they must wear at all times within the school. Similarly, visitors will be required to report to the administration office at the end of their visit to return their badge and to “sign out” in the Visitors book.
 Visitors may be asked to produce a valid Working With Children Check or photo identification, depending on the purpose of their visit to the school.
 Visitors will be provided with directions and will be made aware of any construction works etc. that may impact upon their safety or comfort.
 The above mentioned process for managing and monitoring visitors will be regularly published in the school newsletter and will appear at all school entrances.
 Visitors within the school who have failed to follow this process may be reminded to do so.
 Under the Summary Offences Act 1966 and subsequent amendments, the principal reserves the right, and has the authority, to prohibit any potential visitor from entering or remaining within the school. The Principal also has the authority to invite or exclude people from using or being within the school boundaries outside school operating hours.
 The school’s emergency management procedures will ensure that visitors within the school at the time of any emergency or practice drill will be recognised from the “Visitor’s Sign In Book” and will be expected to follow school emergency procedures as directed.

EVALUATION
This policy will be reviewed as part of the school’s three-year review cycle.
