UPDAY

The school enjoyed a very successful ‘Upday’ on Tuesday when students spent part of the day with their new teachers and classmates for 2016. Please remember that teacher placements are indicative at this time and will be confirmed when reports are sent home next Monday as some slight changes have been necessary due to students leaving and new students enrolling for 2016.

CLASS MOVES FOR 2016 – NEXT MONDAY

Next week some teachers will be moving to their new rooms in preparation for 2016. A map has been included to help you find your child(ren) if they have moved classrooms. The map indicates classes for next year but room numbers are the same.

Those teachers moving and their new room numbers for next Monday are:

- Mrs Cross – 3A (Room 8)
- Mrs Murphy – Prep B (Room 29)
- Mrs Quirk – Prep D (Room 1)
- Mrs Roberts & Mrs Bainbridge – 3B (Room 3)
- Mrs Bowly - 1C (Room 5)
- Mr Treasure – 2A (Room 12)
- Miss Bensted – 2D (Room 17)
- Mr Lakeland – 4B (Room 7)
- Mrs Krieger – 3D (Room 32)
- Mrs Mitchell & Mrs Buckett – 1A (Room 30)
- Mrs Ryan – 5A (Room 23)
- Mr Nicklen – 5B (Room 27)

** See ‘School Map 2016’ attached for room numbers.

PREP ENROLMENTS FOR 2017

Enrolment forms for parents are available from the office and can be downloaded from the school’s website. Could parents please return enrolment forms ASAP.

ABSENCE NOTIFICATION

The office has sent home letters for families who have unexplained absences. Could you please return these as soon as possible.

CONGRATULATIONS

Myalie C (Prep A) has recently competed in three separate karate competitions and has won gold medals in all of them, as well as winning the overall championship for her age category. Her older brother, Kiran (5B) has been selected for the Victorian Karate Team. A super effort Myalie & Kiran!
STUDENT OF THE WEEK AWARDS

Congratulations to the following students who won our ‘Student of the Week’ awards for Week 10 of this term.

Keep up the great work everyone!

Prep C – Bronte H for making good choices during class time and being focused on her learning.
Prep C – Jaxon S for his effort and enthusiasm during Maths lessons.
1A – Wayd G for making great strides in his handwriting this semester.
1B – Jade B for being an all-round superstar.
1C – Sofia B for being a fantastic class member all year. Your lovely smile and enthusiasm for learning has made you a wonderful student to have in the classroom.
1/2Z – Hunter R for showing great leadership on Up Day.
2A – Hannah D for making me smile every day of the year.
2B – Ryan T for being a wonderful, caring member of our class.
2C – Augustina M for being resilient and having a go at making a roll on our Bakers Delight visit.
2D – Max V for always being a conscientious class member who can be relied upon by his classmates.
3/4Z – Lucy B for managing the spotlight session magnificently by being organised and speaking with confidence.
4A – Lucas M for a Creative Claymation Creation!
5A – Mason T for showing persistence when completing a challenging task.
5A – Jevons W for being dedicated to his learning and researching topics of interest where possible.
5A – Aaron C for being an easy going member of our class who looks out for others.
5B – Julia P for contributing more during class discussions.
5C – Seth C for helping his peers during Maths.
5C – Kanta M for always helping others during class time.
5D – Isabelle E for being a champion all year.

SPECIALIST CLASS AWARDS for last week were: Art – Prep B & 2B, P.E – 1/2Z, Music – 1B, Spanish – 2A and Computers – 2A. Congratulations to these classes on their super efforts with our specialist teachers.

2016 ENVIRONMENTAL LEADERS

On November 30th the 2016 Environmental Leaders went to Sorrento Pier to sail into the bay and swim with the seals of Chinaman’s Hat. Dressed up in diving suits and masks we dived into the water and swim circles around the hut while the seals darted to and fro. The next stop was the Weedy Sea Dragon Sanctuary at Portsea to find a sea horse that passes as a chunk of seaweed. Once everyone had found at least one, we headed for home. We are very excited about all the other fun things we will be able to do as Environmental Leaders in 2016. Vicky, Lena, Beth and Max

HAPPY BIRTHDAY

FOOD FOR FAMILIES PROJECT

Patterson Lakes PS and the Junior School Council have decided to support the Food for Families project, assisting families with non-perishable items and toiletries at a time when it is often a difficult time of year for families in need in our community.

We have chosen to support this project, sponsored by the Wesley Mission and Moorabbin Leader Newspaper, by asking students to bring these donations from home which will be collected in their classrooms and sent off by Thursday the 18th of December.

Thankyou for your generosity in advance.

Kind Regards
Mark Koppens and the JSC

2016 STUDENT BOOKLISTS AND CHARGES

Student booklists and a schedule of charges for 2016 were sent home with students on “Up Day” Tuesday 8th Dec. Details of payment plans and payment options available were be included.

If you require another copy, all Book lists have been uploaded to the school’s website:-
http://www.patterson-lakes-ps.vic.edu.au

DONATIONS OF PAPER TOWEL ROLLS

As part of our Yr 3 Christmas activities over the next week and the making of our Time Capsules early next year, we would really appreciate any donations of paper towel rolls, cling wrap rolls or Christmas paper rolls etc. Please don’t send in TOILET PAPER ROLLS as we are unable to use them due to OH&S reasons.

Please bring all donations to Mrs Canavan in Room 27
Thank you in advance.

JUNIOR SCHOOL ATHLETICS CARNIVAL

JUNIOR SCHOOL ATHLETICS CARNIVAL
PREP - YR 2

On Friday 11th December students in Prep - Yr 2 will participate in the Junior School Athletics Day held on the school oval. The Athletics Day is a house sports event in which all students are required to wear their house polo’s. Students must also wear their school hat and bring a drink bottle.

Below is an outline for the day:
9.10am - All Prep - Yr 2 students to meet on oval
9.30am -11.40am - All students compete in 400m, Hurdles and Sprint events
11.40am - 12.02pm - Eat lunch back in classrooms
12.02pm - 12.52pm - Lunch Break
12.52pm - 1.20pm - Giant tunnel ball Competition in Hall
1.20pm - 2.00pm - Presentation of field event results and winning House!
The field events Long Jump, High Jump, Shot put and Discus have been carried out in P.E lessons during the term.

Parents are welcome and encouraged to come along to support their children throughout the day.

ART COMPETITION

WINNER: Regan T - 5D

Earlier in the term an Art competition was announced for a picture to represent the front cover of our 2016 student diary.

Thank you to all the students who entered the competition. The entries were of a high standard and the Wellbeing team had a tough decision on their hands.

I would like to congratulate Regan T of 5D who has been nominated as the winning entry. Regan's picture embraced all aspects of school life and represented Kids Matter in a very thoughtful way.

Regan's picture will be on the front cover of the 2016 Student diaries.

PFA MESSAGE - SECOND HAND UNIFORM SALES

Another great result for the schools second uniform sale, held Friday the 4th of December. Total sales were $665 (this includes $120 worth of sales on both Prep Transition Days). These monies will be put with our tally from this year’s mid-year sale and last year’s sale.

We are proposing to have playground markings allocated throughout the school grounds, which have been school council approved. This will be a great investment for all student levels.

A BIG THANK YOU to all the people that donated their children's uniforms and especially to all of our PFA volunteers who over the past 5 months have given up their time to sort all of our lost property.

We would also like to thank the Junior School Council for their assistance in placing the sales flyers within the classrooms. The sale could not have gone ahead without your help.

Regards,

Marika Creaser and Ruth Letch (PFA)

**How Monarch Butterflies Grow**

A Monarch Butterfly is very colourful. They have two black dots to tell if it’s a boy or a girl. They also have six legs. They start off as an egg, then a caterpillar, then a chrysalis, then a beautiful Monarch Butterfly.

**Cricket**

Summer is the best time of the year for Australians. Beaches, barbeques and Christmas are all fun activities in the Australian summer, but most of all we love cricket. What is it that makes the game different to all others, is it the history and tradition around the sport? Is it the adrenalin rush of taking a spectacular catch, or the mental and physical toughness to see out a five day test match? We don’t know, all we do know is that it is a game that unites us as one.

If you like a sport that has a lot of history and tradition cricket is the one for you. Dating back one hundred and fifty years where the game was first played many things have changed to make it the way it is today. This includes the birth of the ashes in 1882, the decade where Don Bradman was clearly invincible, and when Kerry Packer created The World Series in 1977. Cricket is a sport that has many stories to tell.

Cricket is known to be a very boring sport to some people but there are three main forums of the game that certain people like and dislike. I think that there is no better feeling than taking a spectacular catch, scoring a hundred, or knocking over someone’s castle and listening to your team mates erupt with excitement. These are the things that make our game thrilling.

If you are interested in playing cricket you can’t take the easy way out. There’s always going to be challenges that it will throw at you. From playing a five day match in the forty degree heat to excruciating pain from an injury and then going to rehab to approach your return. Cricket is a game that truly tests your toughness and lets you enjoy it at the same time.
2016 SCHOOL AEROBICS PLPS TEAM ANNOUNCEMENT

Thank you to all 84 students who tried out for the School Aerobics team! It was very challenging to pick 2 teams this year as the standard was very high, so we have decided to form 3 teams in 2016!!

We would like to thank everyone for their efforts in attending the try outs.

We’re collecting food for families in need this Christmas

Patterson Lakes Primary School has signed up to collect non-perishable food for families in crisis in the lead-up to the festive season.

It’s all part of Wesley Mission Victoria’s Food for Families appeal, which helps families who are struggling with the basic cost of living by providing nutritious food and household essentials, at Christmas time and all throughout the year.

We’re calling on all staff / parents / students to donate non-perishable food and household essentials, which will go directly towards families in need this festive season. Whether it’s a single can of food, or a whole bag of groceries, your donation will mean that a local family will be able to put food on the table this Christmas.

A donation box is located in your child’s class. Drop your donations in the box anytime up until the last week of school, which is when it will be collected by the Food For Families team. If you have any questions, get in touch with our Food For Families champion, your Junior School Council and Mark Koppens.

Wesley is encouraging people to consider donating items that are most in need by families and people experiencing homelessness. These include pasta and pasta sauces, ready-to-eat meals, baby food, breakfast cereal and essential toiletries.

**About Food for Families:**

This is the 24th year of Wesley Mission Victoria’s annual Food for Families appeal. The non-perishable food and household essentials collected mean that families and individuals experiencing crisis and homelessness can put a meal on the table at Christmas time and all throughout the year. Last year, Wesley collected almost 48 tonnes of donations, providing food for 20,000 families of four throughout the year ahead. This year, with your help, our aim is to collect even more.

**Suggested donations**

Thanks so much for participating in this year’s Food for Families appeal. To help you purchase and collect items that are most needed by families that we work with, we’ve compiled this list.

Whether it’s a tin of baked beans, or a shopping bag of essentials, every donation will make a real difference. You can give a little and change a lot this Christmas, by giving food for Melbourne’s most vulnerable families.

Give a little. Change a lot.
Making a smooth start to secondary school

Getting used to new subjects and new teachers, as well as forming new friendships are just some of their challenges during this period.

Starting secondary school is a time of change and uncertainty, which places new demands on kids. Being at the bottom of the pecking order where they are unsure of the playground hierarchies is just one adjustment that they need to make. Getting used to new subjects and new teachers, as well as forming new friendships are just some of their challenges during this period.

Some kids take these new experiences in their stride but it is natural to experience some difficulty, particularly as it’s accompanied by the potentially unsettling transition from childhood to adolescence. It’s no coincidence that children’s learning levels out in the transition year presumably because the social tasks of adjustment take precedence over academic performance.

It helps to remember the 3 P’s to assist your young person to settle in:

1. **Patience**
   Be patient and understanding in the early weeks. Brush up on your listening skills as you help your young person adjust. Talk to your young person about change and reassure them that it is normal to feel nervous in new circumstances. Let them know that many of the difficulties they face will be temporary.

2. **Positive attitude**
   Confidence is catching so make sure you see this transition time as an exciting challenge that your child can handle rather than an event to be feared. Ask them about the new subjects or interesting activities they are doing, and try to shift their focus to the positive aspects of school. Discuss settling in problems with the appropriate person such as a year level coordinator, but give your young person time to handle them on their own before seeking help.

3. **Process their day**
   Some young people may come home with fairly exaggerated accounts of secondary school and may not always paint a fair picture. They can be sensitive to many things, which they would have shrugged off in primary school. It helps if you can listen without judgment and show a real interest in their new school, while providing them with the space they need to get away for a while. Expect some behaviour blowouts as many kids let off some steam in the safe and stable environment of a loving family.

   If your eldest is starting, then secondary school will be a relatively new experience for you too. It will take some time for you to adjust to the school’s culture and communication methods.

   Although secondary schools may seem a little foreign for those used to the relative intimacy of primary schools one aspect is the same – **outcomes for students is maximised when schools and parents work together in the best interests of the student**.

   One way to support your young person’s school is by actively promoting the schools’ values. For instance, if respect is a prominent school value then you can discuss this in relation to the way your young person behaves around friends, relatives and family.

   Most importantly, talk your young person’s new school up, rather than talking it down as kids of all ages take their cues from the most significant adults in their lives- their parents!
