OHSC – Care Not Booked Policy

RATIONALE

Occasionally a child might arrive in the program when a booking has not been received by the staff.

AIM

To ensure the availability of childcare places in the before and after school care program and the safety of children, a procedure is followed by staff if children arrive at the program without a booking.

IMPLEMENTATION

These procedures apply to program staff and parents.

- If a child/ren arrives at the program without a casual booking and there **are** places available:
 - Accept the child/ren into the program.
 - Contact parent/guardian and advise them that their child/ren is in your care and remind them of the 24 hours casual booking policy.
 - Casual fee to be charged.
- If a child/ren arrives at the program without a casual booking made 24 hours in advance and there **are no** available places:
 - Take the child/ren to the school office.
 - Office will contact the parent/guardian and advise them to come and collect their child immediately.
 - If the parent/guardian is unable to collect the child/ren, contact the emergency contacts to come and collect them immediately.
 - Only accept the child into the program if a place becomes available.
- If the child/ren is/are not enrolled in the program **the service will not accept them.**

EVALUATION

Guidelines are updated annually and/or as per DET recommendations.
