**What is the Child Care Benefit?**

The Child Care Benefit is income tested and is usually paid directly to child care providers to reduce the fees that eligible families pay.

To receive the Child Care Rebate you must be eligible for Child Care Benefit (assessed at a rate of zero or more).

This means:
You or your partner must be an Australian citizen, a permanent resident living in Australia or be exempt from the Government’s residency requirements.
Children under seven years of age must meet the Government’s immunization requirements or have an exemption.

You must be the person responsible for your child care costs. If your employer contributes through salary sacrificing or packaging, you should discuss with your employer who is responsible for your child care costs.

To also receive the Child Care Rebate you and your partner (if applicable) must have work, training or study related commitments at some time during the week or have an exemption.

For more information, phone 13 61 50
PATTERSON LAKES OSHC PHILOSOPHY

At Patterson Lakes OSHC we provide the community with a quality school aged care service that is guided by the National Law, National Regulations and National Quality Standards including the use of Early Years Framework and other approved Frameworks (My Time Our Place- OSHC). Our educators collaborate with children, families and other professionals to provide play and leisure opportunities that are meaningful to children and support their wellbeing learning interests and development. This includes their safe care, sound physical health and experiences of each child and takes into account their individual differences.

An ongoing cycle of planning, documenting and evaluating children’s learning (ongoing improvement plan) underpins the educational program and involves educators in critically thinking about what is offered and why.

Program Coordinator: Joy Saunders Diploma in Children’s Services
Phone No: 0437 983 561

Assistant OSHC Educators

- Amanda Sheppard: Cert 3 in Children’s Services
- Carlee Cassap: Diploma in Children’s Services, Educational Leader
- Jake Macaulay: Studying Teaching
- Joy Foot: Diploma in Children’s Services
- Amanda Petrak: Diploma in Children’s Services
- Lucy McWaters: Diploma in Children’s Services
- Noeleen Roberts: Cert 3 in Children’s Services
- Rebecca Cochrane: High School Teacher
- Rowena Picker: Diploma in Children’s Services

Staff photos are displayed in the OSHC room indicating those on duty for that session.

Sun Protection

- Whilst outside, staff and children must wear a hat from 1st September until 30th April at all times in line with school policy
- Each child must bring a hat, clearly marked, that protects the face, neck and ears
- If a child refuses to wear a hat, staff must make every effort to encourage wearing head protection. A child that does not cooperate will be restricted to an area that offers protection e.g./inside, veranda or shaded area.
Active After School Care

The Active After-School Communities program is a national initiative that provides primary school-aged children with access to free sport and other structured physical activity programs in the after-school time slot of 4.00pm to 5.00pm. The program aims to engage children in sport and other structured physical activities and, through a positive and fun experience, develop a love of sport that inspires them to join a local sporting club. All children are encouraged to participate in the Active After School Care program.

If you would like to know more about the program log on to www.ausport.gov.au/aasc

Daily Routine

Before School Care
Children have free play in Before School Care. We always have activities set up on the tables and it’s the children's choice as to what they want to engage themselves in.

Cereal is available between 7.15 and 8.45am. A hot breakfast is available from 7.30am until 8.00am each morning. Pack up time is 8.30am. Children are signed out by an Educator at 8.45am and are then under the supervision of Yard Duty teachers.

After School Care:
3:30 Children have their names marked of the roll. Children put their school bags into the hall and wash their hands ready for afternoon tea.
Children will have their names on the white board to indicate their choice of activity.
After helping themselves to their snack which consists of a healthy choice they sit with their friends and educators.
4.00 Outside play (depending on the weather). At this time they have free use of the school's sports equipment. The areas in which they play are the two basketball courts, the oval and the age appropriate adventure playgrounds.

Arts/craft available every session.
6.15: The children have all been picked up and signed out

Refer to our weekly program which is displayed in our OSHC Room.

Free choice activities:
- Reading
- Construction
- Water color paints
  Activity sheets
- Coloring in sheets
- Pretend play
- Dress ups
- Games
- Outside play
- Lego
Enrolment Procedures

- Parents are to complete and sign the appropriate and current enrolment form.
- Parents are to return the completed enrolment form directly to the program supervisor or via the school office.
- Enrolment forms can only be accepted if all the enrolment details are completed, including the four emergency contacts other than the parents. In addition, any individual health plans must be provided to meet the enrolment requirements.

**Customer reference numbers (CRN) must be provided for each child and one nominated parent. Each individual requires their own CRN.** For more information contact the family assistance office 13 61 50 or visit [www.familyassist.gov.au](http://www.familyassist.gov.au). This is a requirement for OSHC enrolments.

- If the program is full, the children’s details will be placed on a waiting list and access will be based on priority of the access criteria.
- It is the parent’s responsibility to ensure that all the details on the enrolment form are kept current and up to date, including home, work and emergency contact details.
- Parents who indicate that their child/ren suffer from asthma or any other medical condition requiring regular medication must include a current Action Plan which has been developed in consultation with a general practitioner. These plans must be updated yearly.
- For children who require the use of an Epi-Pen, it is a requirement to supply OSHC an Epi-Pen to stay at the OSHC program along with an up to date action plan.

Dropping Off and Picking Up Children

When children are dropped off to Before School Care, they must be signed in by whoever is dropping them off. When you are picking your child up from After School Care they must be signed out by an adult (over 18 years of age) that is listed on their enrolment form. If this is anyone different the coordinator must be notified before this occurs and it must be submitted in writing.

Parents, if you are new to the program or staff haven’t seen you before, photo id is required before the child can be signed out. Thank you for your cooperation.

Late Fees will be charged at $1:00 per min per child. Parents are required to call the program to inform Coordinator if they are going to be late.

**Under no circumstances will a child be released without being signed out by an authorised person.**

Casual Bookings

- Intention to use the Before and/or Aftercare Program on a casual basis is indicated by ticking the ‘casual’ box on the enrolment form.
- Parents are to advise the program supervisor that a casual booking is required, 24 hours in advance by calling and leaving a message on the OSHC mobile phone or in person at the program.
- Program supervisor is to assess if there is an available place in the program when the booking request is received.
- Casual bookings will not be accepted unless there is an available place on the day care is required.

Permanent Bookings

- Intention to use the Before and/or After School Care program on a permanent basis is indicated by ticking the box/es on the enrolment form that corresponds with the days care is required.
- One weeks notice must be submitted in writing to the program Coordinator to any changes to a permanent booking.
- 100% holding fee for any bookings

Behavior Management
Children are required to adhere to the program rules supported by positive guidelines and directed towards acceptable behavior with encouragement freely given by staff.

- Smacking and harsh punishment is prohibited by all staff.
- Staff will use positive guidance, i.e. direct a child to what they would like them to do rather than what they shouldn’t be doing. E.g. “walk inside” not “Don’t run inside”
- ‘Rethink’ time will be used to redirect more positive behavior.
- A ‘Rethink’ form may be filled out by the child involved if necessary.

Management Of Continual Difficult Behavior

- Staff shall monitor the child’s behaviour and make incident reports and observation notes.
- Staff will constantly administer the program rules and their consequences.
- Once a behaviour issue is identified, it will be discussed with parents. Staff shall collect information to ascertain if there are similar problems at home or school and what management techniques are used and whether they are successful.
- Where possible staff and parents then formulate a plan of action to address behaviour issues.
- In the instance that various action plans are unsuccessful, suspension of the child from the program may be implemented at the discretion of the Principal.
- If the action plans and suspension is unsuccessful in changing the child’s behavior, termination of the child’s place will be considered by the Principal.

The supervisor will advise the child’s parent in both verbal and written documentation that provides the two week notice of the permanent withdrawal of the care place with stated reasons for the child’s removal from the program.

Communication

Communication is a vital key to making your child’s time at Patterson Lakes Primary School’s Outside School Hours Care a happy and rewarding one. If you have any suggestions please place them in our ‘suggestion box’ near the sign in/out sheets, or see any of the staff.

Please leave any messages for the Coordinator in the Parents communication book that is on the sign in/out table.

Also we have a future planning book that is available for families to have input into the program. The book is located on the sign in/out book table.
