# Homework Grid Term Three: Year 6

## READING 📚

Read on a daily basis; choose a book that is a ‘good fit’ for you.

While reading, keep in mind your personal independent reading goals and ensure you are ready to discuss your thinking with your teacher during your next conference.

**It is an expectation that you will read for a minimum of 2 hours per week** (this includes the weekend). You may do this at any time that suits you and your family.

Please ensure you record your reading in your diary and it is signed by a parent or guardian on a weekly basics.

## SPELLING ☒

**Weekly Spelling Task: Building word families**

Build as many words as you can from the base words below. Word lists will be checked each Friday.

- **Week 1:** Nation
- **Week 2:** Product
- **Week 3:** Weigh
- **Week 4:** Know
- **Week 5:** Normal
- **Week 6:** Occupy
- **Week 7:** Joy
- **Week 8:** Just
- **Week 9:** Direct

## MATHEMATICS 🧮

Log onto the Mathletics website, using your username and password to complete activities set for you by your teacher. Usually the tasks will be related to the maths topic being covered in class at that time.

**It is an expectation that 1000 points be completed every week.**

## RESEARCH PROJECT

This term our Humanities topics are Passport to Democracy and They Came to Australia (Migration). Children will be completing various research tasks in class. Students may be required to complete unfinished work or further research at home.
