Dear Parents & Guardians,

Re: Patterson Lakes Primary School Uniform

The School Council has recently undergone a process of inviting selected school uniform suppliers to tender for the contract to provide retail supply of the school uniform from a fixed store location, open 6 days per week.

As this change occurs, it becomes a rare opportunity to revise the current uniform styles, logos and fabric selection. The School Council have appointed a Uniform Subcommittee to facilitate and recommend any improvements to the uniform. The School Council will also revise the current uniform policy, which will include a **phase in** period for the new uniform to become compulsory for all students to wear by the commencement of Term 1, 2020.

The logistics of the change will be complete before the end of Term 3 2018. The new uniform will be available to purchase in store at the commencement of Term 4 on Monday October 8, 2018.

In the interim, the uniform shop will continue to operate. While stocks last, all discontinued items or items with the school logo to be offered at a significantly reduced cost, please see the price list on the reverse. It is expected that there will be a short period during Term 3 when we will have exhausted our stock and will not offer a uniform service. The successful supplier will begin their contract in Term 4.

At the end of the process, unsold, discontinued items will be donated to a school overseas.

Any concerns or comments should be addressed to patterson.lakes.ps@edumail.vic.gov.au, please mark the subject line, School Council - Uniform.

Thank you for your support. We look forward to sharing a new fresh look for our uniform in the near future.

Yours sincerely,

Carole Mayes
