**Year 6 Homework Grid**  
**Term 4 2016**

<table>
<thead>
<tr>
<th><strong>READING</strong></th>
<th><strong>Spelling, Grammar &amp; Vocab</strong></th>
</tr>
</thead>
</table>
| Read on a daily basis; choose a book that is a ‘good fit’ for you.  
While reading, keep in mind your personal independent reading goals and ensure you are ready to discuss your thinking with your teacher during your next conference.  
It is an expectation that you will read for a **minimum of 2 hours per week** (this includes the weekend). You may do this at any time that suits you and your family.  
Please ensure you record your reading in your diary and it is signed by a parent or guardian on a weekly basics. | Each week students will be required to complete a spelling, grammar or vocabulary activity as set by their classroom teacher.  
This may vary from class to class and student to student depending on students’ learning needs. |

<tr>
<th><strong>MATHEMATICS</strong></th>
<th><strong>Science and Humanities</strong></th>
</tr>
</thead>
</table>
| Log onto the Mathletics website, using your username and password to complete activities set for you by your teacher. Usually the tasks will be related to the maths topic being covered in class at that time.  
It is an expectation that **1000 points be completed every week.** | This term our topics include Chemical Science (‘Change Detectives’) and Business and Economics (‘Making our Mark’). Students will be completing research topics at school and may be required to complete further research at home. |

**Please Note**

Any task that is not finished during class time may be sent home and will need to be completed according to their teacher’s instructions.
